INVESTMENT CONSIDERATIONS

- Diverse Customer Base:** Customers consist of mainly F1000 companies with contracts in place to extend beyond current revenue. RPT customer base diversified across the US and Canada, there are some outlier customers in Europe, Middle East, and Africa.
- Strong Vendor Relationships:** Has strong relationships within the DevOps automation space. 2022 Global Innovation Partner of the Year from leading DevOps automation vendor. Conduct training and virtual bench services for multiple market leading vendors. Aligned with top cloud hyper-scalers through partner programs for services and marketplace transactions.
- Unique Go-To-Market Model:** Focused around high-end consulting services packaged as a subscription model to generate recurring and sticky customer engagements. Able to leverage their own IP to scale the business through less labor and drive more profitability across new customer engagements.
- Highly Skilled Team:** Recognized within the technology market, their team has certifications across multiple technologies. The team has written books on the products they integrate and created a training following through content that they sell at the enterprise level, the material is marketed on training sites such as Udemy.
- Practitioner Based Training Program:** The program generated high margin sales and is geared toward the producer and consumer teams within large organizations. They have trained thousands of people across a large amount of Fortune 500 companies.
